**Publications from Master of Science in Theriogenology**

1. Seesupa, S., Pilachai, R., Kanistanon, K and Aiumlamai' S. 2010. Effect of subclinical laminitis on reproductive performance in lactating cows in small holder dairy farms. The 13<sup>th</sup> Association of Institutions for Tropical Veterinary Medicine Conference 2010. Bangkok Thailand. 23-26 August 2010.
2. Nam.H.N, Chanlun. A, Aiumlamai.S. and Kanistanon.K. 2009. Prevalence of *Neospora caninum* infection in swamp buffaloes in northeast Thailand. The 2<sup>nd</sup> Federation of Asian Small Animal Veterinary Association Congress 2009 and the 35<sup>th</sup> Veterinary Medicine & Livestock Development Annual Conference 2009. Bangkok, Thailand. 3-5 November, 2009. p 566.
3. Singh na, U., Kampa, J. and Aiumlamai, S. 2009. Effects of bovine viral diarrhea virus infection on reproductive performance in cows in Khon Kaen province. Proceeding of the 10<sup>th</sup> KKU Veterinary Annual Conference 2009. 3-4 June 2009. pp.143-146.
4. Pongkun, J., Chanlun, A., Aiumlamai, S., Kanistano, K. 2009. Effect of neosporosis on reproductive performance of dairy cattle. The 12<sup>th</sup> National Graduate Research Conference co-organization by CGAU and Khon Kaen University. February 12-13, 2009. pp. 271.
5. Mahanakorn, C., Sirisatien, S. Srigam, S., Aiumlamai S. 2009. Effect of centrifugation forces for removing seminal plasma on the quality of frozen-thawed goat semen. The 12<sup>th</sup> National Graduate Research Conference co-organization by CGAU and Khon Kaen University. February 12-13, 2009. pp. 270.
6. Chanlun, A., Pongkun, J., Aiumlamai, S. and Chaiyotwittayakul, A. (2008) The effect of *Neospora caninum* infection on the reproductive performance of dairy cows in Thailand. Proceeding, The 15<sup>th</sup> Congress of FAVA-OIE Joint Symposium on Emerging Diseases. 27-30 October 2008. pp.129-130.
7. Thongchai, J., Kampa, J., Aiumlamai, S. (2008) Reproductive performance and Prevalence of BHV-1 and BVDV in large scale dairy farms. The 10<sup>th</sup> Graduate Research Conference, KKU. 18 January 2008. pp.81.
8. Chumnandee, C., Sirisathien, S., Aiumlamai, S. (2008) Effects of epidermal growth factor supplementation on In Vitro maturation of domestic cat oocytes.

Proceeding of the 9<sup>th</sup> KKU Veterinary Annual Conference 2008. 11-12 June 2008.

pp. 235-240.

9. Kumlert, S., Jarassaeng, C., Aiumlamai, S., Wongsrikeao, W., Chaiyotwittayakun, A. and Kanistanon, K. (2007) Analysis of the relationship between energy balance and reproductive performance in post partum dairy cows of small holders in Khon Kaen province. KKU.Vet.J. 17(2):54-62.
10. Kumlert, S., Aiumlamai, S., Kanistanon, K. and Chaiyotwittayakun, A. (2007) Relationship between energy balance and reproductive performance in post partum dairy cows. Proceeding of the 8<sup>th</sup> KKU Veterinary Annual Conference 2007. 7-8 June 2007. pp.137-142.
11. Temwong, W., Aiumlamai, S., Wongsrikeao, W., Sirisatien, S., Kanistanon, K. and Koonjaenak, S. (2006) Season factor affecting semen quality and spermatozoa membrane in swamp buffalo (*Bubalus bubalis*) bull. KKU. Vet. J. 16(3):1-14.
12. Pilachai, R., Aiumlamai, S., Wongsrikeao, W. and Sirisathien, S. (2006) Effect of GnRH or hCG administration on the 5<sup>th</sup> day-post insemination regarding serum progesterone concentration and conception rate in lactating cows during hot season. KKU. Vet. J. 16 (1): 61-70.
13. Pomsemal, W., Sirisathien, S., Aiumlamai, S., Wongsrikeao, W., Jarurathjamon, P and Tubsombat, B. (2005) Effect of DMSO on cryopreservation of Afican Catfish, *Clarias gariepinus*, semen. Proceeding In the 5<sup>th</sup> International Congress on Biotechnology in Animal Reproduction. August 4-6, 2005. Chiang Mai, Thailand. pp.121-122.
14. Pilachai, R., Aiumlamai, S., Wongsrikeao, W. and Sirisathien, S. (2004) A study on day 5 post-insemination administration of GnRH or hCG on serum progesterone concentrations and conception rates in dairy heifers during hot season. J.Thai Vet.Med.Assoc. 55(2):43-53
